#### **Property Overview**

A 6,480 square foot neighborhood retail center is available for sale at the corner of 86th and Stony Island. The center is 100% leased with two new leases signed in 2019. Tenants include two restaurants, a medical office and a hair salon. Currently, the property generates more than \$110,000 of rent. Units are individually metered. Highly visible, the center has good frontage on Stony Island plus a large pedestal sign. This center is a great investment opportunity in a strong commercial corridor.

Avalon Park is a largely residential neighborhood on the south side of Chicago. The area around 87th St. is a major commercial corner with national retailers including Walgreens, Citibank and Dollar Tree.
